

About Us

Legacy Transition Partners is an independent investment firm partnering with founder-owned and entrepreneur-led businesses at critical moments of transition. We make majority investments and provide capital, strategic leadership, and hands-on support to preserve what makes each company special while building a stronger foundation for growth. Our approach is long-term, collaborative, and built on trust.

Why Us

- **Our principals bring 35+ years of combined transaction experience** and a disciplined approach to closing
- **Hands-on partners** focused on driving growth, improving systems, and building scalable businesses
- **Practical value-creation approach** built on a **partnership-first** mindset
- **Long-term orientation** focused on flexible transaction structures with meaningful seller upside

What We Look For

- **EBITDA:** \$1–\$5M; add-ons of any size
- **Ownership:** Majority / control positions
- **Geography:** U.S.
- **Characteristics:**
 - Scalable business model
 - High customer retention and repeat or recurring revenue
 - Fragmented market with add-on opportunities
 - Strong margins and consistent cash flow generation
